

OCCULT ENTERTAINMENT

Newsletter for January, 2009

Entertaining the masses since 1994

News

What we were doing when we were actually able to see straight...

Ok, we admit it. We were straight lazy this month – the holidays totally took us in, hugged us, and refused to let us go. (Which explains why this newsletter is so late...) Anyway, we did manage to get some things done. We **added a new monthly poll to the web site**, for example. We'll leave the current poll up for now, and then change it at the end of the month.

We also **removed Meebo as our IM client** - we're **using Pidgin instead now** - that, and **Skype**. Oh yeah, and we **added Skype on our Contact Us section** of our web site (our username is – surprise – occultentertainment!)

The biggest announcement we have, however, would have to be the **introduction of our forum!** You can find it at <http://occultentertainment.bofh.us/>. Come on over and register. We just put it up, so it's pretty basic for now, but we plan on adding all kinds of things to it as we learn more about what we can get away with. Drop in and let us know what you think! (Or if you have advice – we could definitely use it!)

Keeping in spirit with the New Year, we **added our 2009 New Year's Resolutions** to the home page of the web site! All 13 of them!

Coming Soon

Straight from the fingers of the OE Staff...

We are looking forward to 2009! Our current focus of the moment is:

DM Secretary. Always. Version 5. Will be out soon. Watch the forums for more discussions on this.

The Forums. They will get better. Read above. ;-)

Zymph 3rd Edition. We are targeting this like there is no tomorrow. This will be the first thing we knock out from our New Year's Resolutions. It's much more slick and detailed than its second edition – and it's rules independent, which means it is not based on a rules-system. So it can be used with any RPG. Or as a setting for stories. Or whatever.
