*What we were doing when we weren't beat up from doing our real jobs...*

This month has been all about trying to get Zymph: 3<sup>rd</sup> Edition completed. It is a LOT more work than we thought it would be! It's in the final process of editing now, though, so it should be out pretty soon. A lot goes into a book of this size!

We've been trying to get our 13 New Years resolutions accomplished – and we're rapidly approaching getting 100 friends on Facebook (we already have 100 on MySpace) – so if your on Facebook and your not our friend – what are you waiting for???

### Coming Soon

*Straight from the fingers of the OE Staff...*

Finishing Zymph: 3<sup>rd</sup> Edition. Adding a mess load of information to Dark Earth: 2<sup>nd</sup> Edition. In other words: creating, creating, creating!!!
