October, 2008

What we've accomplished this past month - besides watching way more episodes of House than we should...

Updated the Jabber IM service so it will actually work - our new Jabber ID is OCCULTENTERTAINMENT@JABBER.ORG...

Changed contact Us sponsor to Meebo. We like the way it doesn't automatically pop open a new chat window like eBuddy did, and it's slick easy-to-use interface. We also like its other features, which we will make use of in the future - like "rooms". Check it out at MEEBO.COM.

Added Instant Chat to the Contact Us section! Want to leave us a message, or chat with us? don't worry about firing up your IM client - you can do it right from our Contact Us page!

Updated DM Secretary to 4.1.15!

On The Horizon...

Straight from the fingers of the OE staff

Using DM Secretary to run games - over the internet. Be introduced to an entirely different and simplified way to play roleplaying games. And play in a gigantic fantasy world - using any rules system you want. Those things and more are coming soon...

Download Our Products!

Below you will find quick links to all of the products we have available for download.
